

IOSH MANAGING SAFELY REFRESHER

The IOSH Managing Safely Refresher course will **refresh and update your knowledge of safety management**. It ensures you stay current with the latest safety regulations and practices, reinforcing your ability to lead and maintain a safe and compliant workplace environment efficiently.

This course has 6 hours of study time required.

This course is typically completed within 1 day.

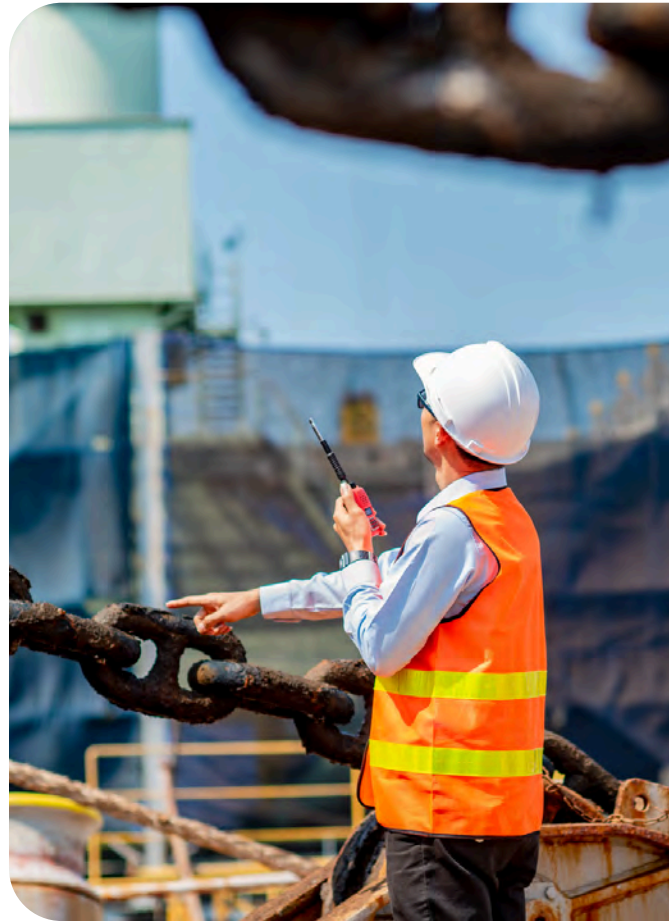

You have access to this course for 6 months from the date of enrolment.

This Refresher course is for anyone that has passed the IOSH Managing Safely® Course.

This refresher course is for anyone that has previously passed the IOSH Managing Safely® course. It will refresh and **reinforce prior learning** and helps bring your safety knowledge and skills up to date.

IOSH recommend that the IOSH Managing Safely Refresher course is completed within three years of finishing the original IOSH Managing Safely®, although that doesn't prevent learners from refreshing for any period longer than that.
