This course has 8 hours of study time required.

This course is typically completed within 1 day.

You have access to this course for 6 months from the date of enrolment. This course is RQF level 1, SQF Level 3 and NQF Level 2.

This course is designed for all employees who require a base understanding of health and safety.

www.SHEilds.org

The IOSH Working Safely course is for anyone, in any sector, at any career level who requires a base understanding and qualification in health and safety.

This qualification is an accessible entry level qualification that is intended to ensure a base **awareness of general health and safety issues** around the workplace. This certification covers the identification and definition of common dangers and risks, enhancing safety practices, and safeguarding the environment. Assessing involves a multiple choice question assessment and a hazard spotting exercise, both of which can be completed online.
